Welcome to your 30-Day Life Reset

Thank you so much for your purchase!

You took a step today toward clarity, calm, and rebuilding your momentum. I created this workbook specifically for people who are feeling stuck and overwhelmed, and I am so excited for you to begin.

📥 What's Included in your Download:

1. **30-Day Life Reset Workbook (US Letter)** - Standard size for North America (8.5 x 11 inches).
2. **30-Day Life Reset Workbook (A4)** - Standard size for the rest of the world (210 x 297 mm).

🖨️ How to Print at Home

1. Open the PDF size that matches your printer paper.
2. In your print settings, select **"Actual Size"** or **"Scale to 100%"** (Do not select "Fit to Page" as it may distort the margins).
3. You can print the entire workbook at once, or just print the Daily Pages one week at a time if you prefer!

📱 How to Use Digitally (iPad / Tablet)

1. Save the PDF to your tablet.
2. Open your favorite PDF annotation app (like GoodNotes, Notability, Xodo, or Noteshelf).
3. Import the PDF into the app.

4. You can now write directly on the pages using your stylus or Apple Pencil!

A Quick Favor...

As a small business owner, reviews mean the absolute world to me. If you are enjoying the workbook and the gentle, anti-hustle approach, it would help my shop out tremendously if you could leave a 5-star review on Etsy.
